DAY 01

Bahariya Oasis, Black and White Desert Tour From Cairo

Cairo Top Tours Egyptologist guide will pick you up at 7:00 AM for a unique day trip from Cairo to Bahariya Oasis and the White Desert. You will travel by air-conditioned car to Bahariya Oasis, which means "northern oasis", as it is the northernmost oasis in the Egyptian desert, and it takes about four hours to drive there, including toilet stops. You will cross the beautiful **sand sea Western Desert** southwest of Giza, which is administratively considered part of **Farafra Oasis**.

You will be transferred by four-wheel-drive Land Cruiser when we arrive at Bahariya or the Northern Oasis, which is officially part of the **Giza city**, and head to the White Desert, which is known as one of the most beautiful protected natural areas in **Egypt**, where you can see rare sculptures, animals, caves, plants, ancient tombs and houses dating back to the **Roman era**. We will stop in one of the best deserts that distinguish the western desert the **Black Desert**, which is a dark rocky area formed by ancient volcanic eruptions and characterized by the presence of rich iron ores.

After that we will stop at the water spring in the **Valley of El Haize** on your way to the south of Bawiti Village in Bahariya Oasis, to see the popular hot spring there. We will take you from there to drive off-road and see the quartz crystal at **Crystal Mountains** and the magnificent **Valley of Agabat**. which means the valley of the wonders in the Arabic language where you are going to practice sandboarding above the beautiful sand dunes. Enjoy your Picnic lunch and the great **Egyptian Cuisine** at the Roman spring of **Ain Khadra** on approach to the White Desert with the sound of the running water.

Upon your arrival to the **White Desert Natural protectorate**, you will be fascinated by this wonderful landscape filled with chalk and limestone formations, which have taken on various shapes due to natural erosion to resemble mushrooms or trees, as well as the chicken formation and the sphinx-like rock. Before returning to Cairo via Bahariya after the tour in the **White Desert Egypt Tour**, you will pass through an area where tent-shaped rocks abound.

The last time to last in Bahariya Oasis is going to be for rest and check the washrooms. After a busy morning, you will enjoy the palm trees, fruit fields and the hot spring on the way back to **Cairo city**.
